

## Drop off your Students at the Shuttle Avoid Morning Skyway Traffic!

Dr. Daugherty's offer to waive the \$50 shuttle fee applies only to the Fehren - Monterey and the Capitol - 87 morning routes. This waiver does not apply to other routes. Our goal is to quickly fill the 8 Monterey shuttle busses to relieve traffic on Skyway Campus. This offer applies to 6<sup>th</sup> -12<sup>th</sup> grade students and expires on Wednesday, September 17, 2008.

Skyway parents of students that have paid \$160 for a parking space may obtain a \$110.00 rebate if they elect to return their student's parking permit and park at the Fehren - Monterey park & ride and take a shuttle bus to and from school. This offer expires on Wednesday, September 17, 2008.
