

December 18, 2020

Dear Parents of Valley Christian School Students,

Re-enrollment time for the 2021-22 school year is fast approaching. Let us take time to reflect on God's blessings on our families, school, our faculty, and outstanding students, as well as the parental support evident throughout our activities.

The Board of Directors has approved the tuition schedule for the 2021-22 school year:

Grades 1-3	\$16,554
Grades 4-5	\$17,551
Grades 6-8	\$21,905
Grades 9-12	\$25,333

Please see the Tuition Schedule included in the Re-enrollment Financial Policies document for details.

**FEBRUARY IS RE-ENROLLMENT MONTH.** We will open the VCS Parent Portal for re-enrollment on Monday, February 1, 2021 and extend it through midnight Sunday, February 28. Last year our re-enrollment rate exceeded 99%. We expect to be **at capacity** again next year. Therefore, to ensure your child's enrollment, non-refundable deposits will be due as follows: If you **enroll by Sunday, February 28, 2021**: \$225 for the elementary school (1-5) and \$800 for grades 6-12. If you enroll on March 1, 2021 or later, \$500 for the elementary school (K-5) and \$1,200 for grades 6-12.

We will continue to use the FACTS Management tuition program. This year you will again have two choices as to the dates of your monthly payment; the 1<sup>st</sup> or the 15<sup>th</sup> of each month. Please access your FACTS agreement to update your option or, if you did not fill out an agreement during the 2020/21 school year, please ensure you do so if you choose the monthly payment option. You may now do it online through FACTS for your convenience. The FACTS link may be found on the re-enrollment site or in the Parent Portal at [parent.vcs.net](http://parent.vcs.net).

For new parents, in order to reserve a space for your student, you must set up a FACTS account no later than July 1, 2021 (unless you prepay).

Financial assistance will again be available this year on a limited basis. The financial assistance site at [vcs.net/financialassistance](http://vcs.net/financialassistance) is already open and the application deadline will be **Monday, February 1, 2021**. The applications will be processed in the order received, so earlier submission of qualified applications will increase the likelihood of being awarded financial assistance, as available funds normally run out quickly.

Thank you for the opportunity to partner with you as we work together to provide a quality Christian education for all of our students.

Blessings,

Ken Shilling  
Vice President, CFO
