

"Do it heartily as to the Lord." Col. 3:23

December 18, 2020

Dear Parents and Guardians of Valley Christian School Students,

We are thankful for your support and dedication to Valley Christian Schools and look forward to what God has planned for our students. VCS strives to provide an education that teaches students to do all they accomplish "as to the Lord" (Colossians 3:17).

Valley Christian Schools is committed to recruiting and retaining quality teachers with adequate compensation to afford the high cost of living in Silicon Valley and close the salary gap between our competitor schools. Highly effective teachers have a direct influence on enhancing student learning and a positive effect on their lifelong educational and career aspirations.

The Board of Directors has approved the tuition schedule for the 2021/2022 school year:

Grade 1-3	\$16,554
Grade 4-5	\$17,551
Grade 6-8	\$21,905
Grade 9-12	\$25,333

February is our re-enrollment month. On February 1, 2021, please go to the Parent Portal at <http://parent.vcs.net/> to enroll your child(ren) for the 2021/2022 school year. Complete your enrollment by midnight on February 28, and you qualify for an enrollment fee [discount](#). Please note that Valley Christian has been unable to accommodate the abundance of new applications in the last few years. You may reserve your spot by re-enrolling before the deadline. As of March 1, 2021, all current students that are not re-enrolled will automatically move to a waitlist.

We are blessed to serve a wonderful community and are grateful for the opportunity to partner with you.

Looking forward,

Clifford E. Daugherty, EdD
